12. Münchener Biennale

(...)

Once more scores the Biennale with a smart programmed Orchestra festival. Besides the Münchener Philharmonic (Johannes Kalitzke) presented this time the Deutsche Symphonie-Orchester Berlin (Susanna Mäikki), the ORF Radio Symphonieorchester Wien (Stefan Asbury) and the Münchener Rundfunkorchester (Ulf Schirmer) whereat the premiere of Francesco Filidei's Cello Concert especially impressed: in various ways applied the Sciarrino student the role of the solist (fantastic: Francesco Dillon and the ORF-Orchester). Here were given highlights although the "Orchester-Biennale" should be a minor matter.
